1. Organization Overview:

- **Name:** Sweet Crumbs Bakery
- **History:** Sweet Crumbs Bakery is a family-owned business based in Durban, established in 2018. The bakery began in the owner's home kitchen and has grown into a popular neighborhood spot offering fresh cakes, pastries, and artisan breads made daily.
- **Mission:** To bring joy through freshly baked goods made with love, tradition, and quality ingredients.
- **Vision:** To become the go-to local bakery in Durban and expand into a café-style sit-down bakery by 2027.
- **Target Audience:** Local families, coffee lovers, birthday planners, small event organizers, and walk-in customers.

2. Website Goals and Objectives:

- Display the bakery's product range (cakes, pastries, breads).
- Allow customers to place custom cake orders online.
- Announce seasonal promotions and new menu items.
- Build brand loyalty and attract new customers.

KPIs:

- 25% increase in product inquiries in 3 months.
- At least 10 online cake orders per week.
- 50 new email sign-ups per month.
- Increased Google search visibility for "Durban bakery" keywords.

3. Current Website Analysis:

- **Existing Site:** None.
- **Weaknesses:** No online visibility, no digital menu, orders handled only through Instagram or walk-ins.

Improvement Areas:

- Centralized ordering platform.
- Consistent branding.
- SEO optimization.
